Everyone Belongs at the YMCA

All people are welcome to participate in Y programs and use Y facilities as members, regardless of race, ability, religion, gender, national origin, sexual orientation or income.

Facility Members have full access to YMCA facilities and programs appropriate to their age. If a program has a fee associated with it, Facility Members can take advantage of a reduced fee.

Program Members join the Y to participate in a program, but do not wish to have access to all Y facilities and programs. Program Member Fees include the fee for the program and a limited membership fee good only for the times and location of the program.

Additional Membership Information

Membership Handbooks and current pool, group exercise and youth program information are available at the Membership Services Desks in Wenatchee and at the Eastmont YMCA Aquatic Center.
